

Dear Prospective Partner:

On behalf of Wills Park and the City of Alpharetta, I would like to ask for your support in sponsoring the **2012 Alpharetta 10u Titans**, a talented group of 11 ten-year-old travel baseball players. These players have been selected from children throughout the Alpharetta area for their talent, dedication and positive attitude.

The Alpharetta 10u Titans will play a competitive travel tournament schedule and will face some of the best, most competitive baseball teams within metro Atlanta, the state of Georgia, and the southern United States. Teams from Alpharetta have a reputation for fielding competitive teams and we certainly have this goal in mind for the Titans as we start this season.

To support this incredible opportunity for these boys, we are looking for a group of select partners; local businesses interested in fostering community growth and interested in supporting our local youth athletic programs. We would like you to be one of our partners. This is a unique opportunity to obtain some great advertising while making a worthwhile contribution to our community

As a partner, you will be providing these kids the opportunity to play baseball against some of the best competition in the country and you will be getting a high quality advertising opportunity right in your own backyard. We are a 501(c)(3) tax-exempt organization and all sponsorships or gifts are used to directly benefit the children of this team. 100% of your donation will go directly towards offsetting the tournament expenses, the purchase of equipment, training, transportation, and other travel-related expenses.

**100% of your donation is tax deductible.**
